

Stem Cell Rejuvenation Enterprises opens new Manhattan location offering the Priapus Shot® and The O-Shot® Procedures under optimal anesthesia care

Corina Ianculovici, RN, CRNI, MEP-C and founder of Stem Cell Rejuvenation Enterprises, the parent company of Mirelle MediSpa, along with Dr. Roxana Kerns, a highly skilled and Board Certified Anesthesiologist and their team will be performing the Priapus Shot® and the O-Shot® under optimal anesthesia care in their new Manhattan location.

New York, NY May 17th, 2016- Today Stem Cell Rejuvenation Enterprises, announce that their new Manhattan location will offer the Priapus Shot® and the O-Shot® procedures under optimal anesthesia care by Dr. Roxana Kerns, Corina Ianculovici, CRNI, MEP-C and their team. These procedures stimulate the growth of the stem cells that are recruited and fertilized by the Platelet Rich Plasma (PRP), leading to new blood vessel formation, new tissue growth and regeneration of the nerves present in the area. The Priapus Shot® offers penile rejuvenation and enlargement using platelet derived growth factors. The O-Shot® offers vaginal rejuvenation and amplifies the number and quality of orgasmic experiences.

“Our experienced team at Stem Cell Rejuvenation Enterprises, is extremely excited to preview the new location of our Medical Spa and to offer such amazing procedures like the Priapus Shot®, O-Shot®, Vampire Face Lift®, Vampire Breast Lift® and the Vampire Facial®, said Corina Ianculovici, CRNI, MEP-C, a certified provider of these procedures and the founder of Stem Cell Rejuvenation Enterprises and its subsidiaries. “Women and men that are seeking high end and effective cosmetic treatments in anti-aging dermatology, such as non-invasive body contouring and stem cell rejuvenation should visit us at our new location located at 57 West 57 Street, Suite #1203, New York NY 10019. Let us unveil your beauty from the inside out”.
